About Our Academy

Our focus:

ALL students at HDA are trained in classical ballet. This is without a doubt the main focus at our Academy. We do offer other dance styles and encourage versatility, however it is our policy that all our students have continued involvement with ballet as we feel it provides the essential technical foundation to any dancer's training. We feel ballet training gives students a basic movement vocabulary that is essential for other styles, therefore students must be enrolled in ballet before adding contemporary and jazz classes. From age 6 or 7 upwards, all students must attend a minimum of two ballet classes per week.

Dance Styles Offered:

- **Classical Ballet**
Studying classical ballet develops poise, confidence, coordination, and self-discipline. Very young dancers attend lessons once a week. Students from Primary (usually age 6) to Grade 4 must attend 2 ballet lessons per week. Vocational Level ballet students must attend a minimum of 3 ballet lessons per week. We teach classical technique through the world-renowned Royal Academy of Dance syllabus. Students are prepared for RAD examinations at the discretion of the teachers.
- **Contemporary**
This style provides an extension to the classical technique and students must be enrolled in ballet classes to qualify for training in contemporary at HDA. Emphasis is on technique, movement qualities, and expressiveness. Students explore use of alignment, gravity, contraction, release and suspension.
- **Jazz**
Jazz dance is fast, fun, upbeat, and utilises a variety of popular music. Not only is it a good workout but it also provides students with good musicality, enhanced flexibility, a strong, confident stage presence, and the ability to think/learn quickly.

Annual Concert

Each year in early December we put on a large production at HOTA (Home of the Arts – previously The Arts Centre Gold Coast) to showcase the students' achievements throughout the year. Each class learns a routine and all students are involved. This is definitely the highlight of the entire year as students are given the opportunity to wear costumes/stage makeup and feel like real professional dancers! We strive to go above and beyond to produce exceptional quality shows that incorporate state-of-the-art lighting, special effects, professional props / scenery, and multimedia elements.

Tickets are sold directly through HOTA's Box Office or online. They generally go on sale in early November.

On Saturday Nov 23rd 2019 we will host a professional photo shoot to capture each group dance, as well as take individual shots. Pictures are then available to purchase directly from the photographer. More info about this will be sent to parents closer to concert time.

Concert Date:

- Monday Dec 2nd 2019 –for all students
- All students required at rehearsal in the morning (and afternoon for older students)
- Performance at 6pm
-

Extensions in Dance

This program is designed for dedicated students who are ready to take on new challenges and extend themselves beyond regular lessons and exams. Dancers who attend weekly private lessons in addition to a full load of weekly ballet and classes may be offered the opportunity to participate in our Extensions in Dance midyear performance at their teacher's discretion. It's a great chance to get more training, more personal attention, and more performance experience.

- Performance date tentatively 7pm Friday June 21st 2019

Excellence Program

In an ongoing effort to support the students of HDA with continual opportunities to improve themselves whenever possible, we recognize the importance of setting up further pathways and guidance within HDA's program for students who may:

- show significant dedication and passion toward their dancing
- possess a certain level of natural ability, aptitude and potential in dance
- aspire to pursue dance professionally

The Excellence Program is only accessible by invitation to audition. It has been designed to nurture our ballet students, expand upon their talents, further their technical/artistic skills, while providing mentorship should professional dance be a pathway they wish to pursue. The program consists of one extra weekly class on Mondays for students in RAD Grade 3+. 2019 will also run on Mondays, with exact times TBA. Participation in these small group classes is dependent upon already committing to a full load of RAD syllabus classes.

- Tuition Fees are charged per term regardless of the number of weeks/term.
- All invoices are to be paid within 14 days of receipt. Charges may be incurred after this period, and/or accounts may be passed on to third party collection agencies.
- Accepted Payment Methods:

Beyond tuition, what other costs might be involved?

- \$45 enrolment fee per student per year
 - Appropriate uniform, tights and shoes for lessons
 - Costumes for the concert (1 per class) approximately \$50-80ea
 - \$50 concert rehearsal fee to help cover extra rehearsals at the end of the year and the costs associated with hiring the Arts Centre Gold Coast
 - \$35 compulsory concert t-shirt each year
 - All concert audience members are charged for admission to the show. Ticketing directly through the Arts Centre box office. (Pricing ranges \$38-\$47 per ticket)

Concert/Costume Deposits:

There is a place on the enrolment form to indicate that you agree to pay an additional \$30.00 each term that will be held by HDA as a deposit towards the additional expenses associated with concert participation at the end of the year. This really helps us to accumulate funds to start sourcing costumes in advance. Families pay these deposits throughout the year and enjoy receiving a smaller concert/costume invoice at the end of the year.

Do we offer any discounts?

Yes - Students enrolled in all 3 dance genres (ballet/contemporary/jazz) are eligible for a 50% discount off jazz tuition.

Are missed lessons refundable?

No - apart from exceptional cases such as serious illness. In Terms 1 & 2 we allow students to attend a lesson of the same genre/level as a makeup class if prior arrangements must be made with Miss Andrea. Makeup lessons are not possible during Term 3 & 4 as it becomes disruptive to concert preparations. If dropping a class mid-term, the remaining fees for that term are non-refundable.

Other information for HDA dancers and families:

Electronic Communication:

- HDA communicates with its dance families via email. We will send invoices, notices and reminders from time to time, so be sure to provide your updated email address.

Arriving/Departing the studio:

- Students should arrive at least 10-15 minutes prior to the start of their class whenever possible and should be picked up promptly after class.
- The waiting area, hallway, change rooms, stairwell and outside areas are unsupervised areas, so parents are expected to wait with their child in reception before lessons and be there after for prompt pickup.
- For safety purposes students are not to go outside to cars by themselves.
- Students are asked to please leave their dance bags on the shelves provided in the backstage area in order to keep our reception area tidy and their possessions safe. (Please no valuables)

In the studios:

- Absolutely no food or drinks allowed, except water, and no chewing gum in class.
- Students are encouraged to bring their own (labelled) water bottles to class. Teachers will advise appropriate times to drink. Water bottles must not be left at the dance studio or they will be discarded. Glasses and mugs in our kitchenette area are not for student use.
- Please remove all outdoor footwear prior to entering the dance studio space.
- Students are expected to pick up after themselves and be respectful of the studio premises.

Parent Viewing:

- Parents are invited to watch lessons during the last week of terms 1 & 2. You will be notified of exact dates/classes by email. In the case of very young students who are apprehensive, we can allow parents into the studio if absolutely necessary until students are confident enough to participate on their own. If this persists beyond a week or two it may be suggested that the student wait to enrol once they are older and feel a little more confident. We do not hold parent viewing days during Term 3 or 4 as we will be busy working on concert dances at that time of year.

Warm-Up:

- A proper warm up before a class or performance is essential in order to prepare the body and mind for the activity to come. In doing so you reduce the risk of injury and improve the quality of performance. Older students are expected to do their own pre-class warm-up.

Absence from Class:

- Regular attendance is expected of all students. If a student will be missing from a class it is their (or their guardian's) responsibility to inform the instructors of each absence in writing with as much notice as possible. In last minute situations, a text is a kind courtesy and keeps us from worrying.

Respect and Behaviour:

- Students are expected to treat their peers and their instructors with the utmost respect. Students' behaviour will be constantly monitored and if deemed unacceptable by instructors the student will not be permitted to continue the class.

Lost and Found:

- All students must take full responsibility for any personal items brought to the dance studio. The staff at HDA will not be responsible for any lost or stolen items.
- All lost and found items will be donated or discarded if unclaimed in a timely manner.

Questions and Concerns:

- We know that nobody knows a child better than his/her parent. If at any time any questions arise, please do not hesitate to discuss them with us. Please call/email on weekdays before 2pm
